STATE YOUR REASON(S) FOR SEEKING THIS SPECIFIC OFFICE. In a total word count not to exceed 250 words, cite experiences, either in Delta or in your professional career, that impact directly on the position you are seeking. Include your plan/vision for the Fort Liberty Area Alumnae Chapter in your response.

I am seeking the position of Chapter President because I have a vision for this chapter. As the chapter continues to grow, the training and development of Sister-Leaders is paramount. I have often said “The Sisterhood is in the Service.” I would like to continue this focus and build systems that will ensure chapter growth and development. The result will be the development of strong and confident chapter leaders that are prepared for Regional and National leadership positions. Our Community Service has really grown through our SAS Teams, and I believe they are where we continue to build and sustain systems that align with the National Strategic Goals of our Organization as we serve our communities. As the chapter continues to expand its membership, we also need to grow more Sisterhood by facilitating chapter experiences that demonstrate and encourage bonding and devotion to the Sorority and to each other. The experience I have gained from serving as Recording Secretary & IVP, I believe has prepared me to be ready and capable to properly represent the chapter at all Regional and National touch points/events as well as guide the chapter to continue to grow as our Sorority grows. FLAAC is an award-winning chapter because its members continue to do Award Worthy Work. I am committed and ready for the challenge of keeping and building standards, legacies, and healthy relationships at local, regional, national levels as well as with our partners in our Service Areas and Communities.
